SUMMARY

Motivated and detail-oriented Python Full Stack Developer with hands-on experience in Python, Django, Django REST Framework, React.js, JavaScript, HTML, and CSS. Skilled in developing responsive web applications, building RESTful APIs, and working with databases such as MySQL and PostgreSQL. Familiar with Git, GitHub, and Postman, with a strong interest in building scalable and user-friendly web applications. Seeking an opportunity to apply my technical skills and grow as a software developer.

EDUCATION

Capital Engineering College, *B.Tech in Computer Science & Engineering* 2024 | Bhubaneswara
CGPA: 7.38

R.S Mahabidyalaya, *Higher Secondary (+2) – Science* 2019 | Odagaon
Percentage: 47%

Janasakti Govt high school Deogaon,Bhaliadihi, *10th – Secondary Education* 2017 | Bhaliadihi
Percentage: 63%

SKILLS

(**Programming Languages:** • Python, JavaScript, SQL • **Frontend Development:** • HTML5, CSS3, React.js, Tailwind CSS • **Backend Development:** • Django, Django REST Framework • **Databases:** • MySQL, PostgreSQL, MongoDB • **Data Analysis & Visualization:** NumPy, Pandas, Matplotlib • **Tools & Technologies:** • Git, GitHub, Postman, VS Code)

PROJECTS

GreenCart, *Full-Stack Online Grocery E-Commers Platform* 01/2026 – 04/2026

- Developed a full-stack online grocery shopping platform using Django, Django REST Framework, and React.js.
- Implemented user authentication and authorization for secure account management.
- Developed product browsing with categories, product details, and search functionality.
- Implemented shopping cart management allowing users to add, update, and remove products.
- Built order management functionality for placing and tracking grocery orders.
- Designed and integrated RESTful APIs between the React frontend and Django backend.
- Managed application data using PostgreSQL/MySQL and implemented database operations through Django ORM.
- Created a responsive and user-friendly interface using React.js, HTML, CSS, and Tailwind CSS.
- Used Git and GitHub for source-code management and version control.
